

Join the DVCon Consultant's Corner

Again this year, DVCon will host the Consultants' Corner. This is where you can showcase your brochure about your unique consulting services. This area will be supervised by DVCon personnel, so that you can attend the rest of the conference without concern.

Benefits of participating in the Consultants' Corner include:

- Exposure to your company and services
- A place to distribute your company brochure
- Your company name and contact information listed in the DVCon Programs
- Visibility on the DVCon web site with a link to your web site
- Display space for your promotional poster / sign
- A copy of the DVCon attendee list
- A complimentary pass to one (1) DVCon session

In these tight economic times, it is expected that the Consultants' Corner will be well attended, as there are many companies faced with the issues of ramp-up amid very lean personnel budgets. This venue will provide you with excellent visibility to showcase your expertise. In addition, all consultants who participate in the Consultants' Corner will receive a complimentary list of DVCon attendees.

The Booth

A booth is reserved for consultants who wish to participate. Your brochure will be on display in the booth for the attendees to review and take back with them to their companies. DVCon will ensure that all brochures get equal visibility in the booth. The booth will be "unmanned", but will be supervised by DVCon personnel. DVCon will ensure that your information is on the display, and will replenish the display from the stock that you provide, as needed.

Listing in the DVCon Programs

Your name and contact information will be placed in the DVCon Advance and Final Program Guides. The programs will inform attendees of who is participating in the "Consultants' Corner" and the location of the booth on the exhibit floor.

The Cost

The cost to participate in the DVCon Consultants' Corner is (\$350). Please complete and fax (303-530-4334) this form to Susie Horn, MP Associates, Inc. by October 18, 2004, to ensure visibility in the Advance Program.
