**PART A**

The undersigned, desiring to publish the above Work and presentation in a publication of the Design & Verification Conference & Exhibition (DVCon), hereby grants a limited, nonexclusive license to Accellera/DVCon to:

- A1. Reproduce, distribute, publish, license, exhibit, record, digitize, broadcast, and archive the above-identified Work in whole or in part, subject to additional conditions specified within this Agreement.
- A2. His/her presentation and comments at the "presentation".
- A3. Any written materials and/or multimedia files used in connection with his/her presentation.

The undersigned hereby grants Accellera/DVCon the unlimited right to use his/her name, picture, likeness, voice and biographical information as part of advertisement and distribution. The undersigned hereby releases Accellera/DVCon from any claim based on right of privacy or publicity.

The undersigned author and all coauthors retain:

- 1. Ownership in all proprietary rights such as, but not limited to, patent rights and copyright, subject to the following condition that any reproduction of the above-identified paper contains the copyright credit given to Accellera/DVCon for the year in which the paper is published in the Proceedings.
- 2. Certification that the paper is not used in a way that implies Accellera/DVCon is used as endorsement of a product or service of an employer.
- 3. The undersigned has obtained all necessary approvals and permission in regards to the Work for inclusion to the above referenced Accellera/DVCon publication from any and all employer(s) for which they were employed at the date and time which the Work was submitted.

Accellera/DVCon will make all reasonable efforts to act in the interests of the author(s) and employer(s) as well as in its own interest. In particular, DVCon requires that:

- 1. The consent of the undersigned author/authorized agent for joint authors is obtained as a condition in granting permission to others for reproduction of all or portions of the above cited Work for promotion or marketing purposes.
- 2. In the event the above cited work is not accepted and published in the *Proceedings of the Design & Verification Conference & Exhibition – 2012*, or is withdrawn by the author(s), the forgoing copyright transfer shall become null and void and all materials embodying the Work submitted to Accellera/DVCon will not be published in any form or accessible to any person or entity other than Accellera/DVCon. Accellera/DVCon will retain all aspects of the Work for internal record-keeping purposes only.
- 3. For jointly authored Works, all joint authors should sign, or one of the authors should sign as authorized agent for the others.

Please check this box if you do not wish to have video/audio recordings made of your conference presentation.
